MEMORANDUM FOR: Acting Chief, DPD

SUBJECT: Eastman Study of []

1. When Ed Green was here he referred to his survey of [] and said that General Walsh had recently visited EK and apparently had been much impressed by the much higher degree of quality at Eastman than in []. Ed Green suggested that it would be timely now to raise the question with Gen. Walsh of whether the Air Force would like Eastman to take on the job of improving the [] facilities.

2. Ed also mentioned a project for which he had great enthusiasm, namely an airborne processing laboratory. He stressed the advantages of mobility.
